

TV-Streamer+ Elevate your TV listening experience

When it's challenging to enjoy TV with family or friends, it's great to have a little extra help. Now you can get the most out of your listening experience, even in noise. The new TV-Streamer+, supporting the newest Bluetooth® Low Energy Audio and Auracast™ broadcast audio, gives you immediate speech clarity by sending sound directly to your hearing aids at the volume you prefer.

- 1 Compatible with Jabra Enhance™ Pro 20 hearing aids
- 2 Easy set-up with a USB-C powered connection port
- 3 Sleek, lightweight streamlined design can be placed horizontally on a surface or mounted vertically on the back side of a TV
- 4 New OneTouch Pairing allows the hearing aid(s) to pair to the TV-Streamer+ without having to reboot the hearing aids. Press the pairing button once and all hearing aids in proximity (<5 cm) will pair automatically
- 5 Enhanced adjustment capabilities for you in the Jabra Enhance Pro app
- 6 Streaming capacity offers memory to pair up to 10 devices (hearing aids and smartphones)
- 7 Ready for Bluetooth Auracast, allowing an unlimited number of Auracast-enabled devices to listen to a broadcast audio stream
